9. Observe the given sets of numbers. Write them in the boxes in two ways - one from the smallest to the biggest and the other from the biggest to the smallest.

1

Example: - 5, 3, 6, 4, 11

From smallest to biggest. :

3 4 5 6 11

From biggest to smallest. : 11 6 5 4

(A) 15, 3, 12, 16, 5, 18

From smallest to biggest:

From smallest to biggest:

(C) 12, 18, 10, 14, 19, 17

From biggest to smallest:

From biggest to smallest:

(B) 6, 0, 8, 3, 5, 2

From smallest to biggest:

(D) 2, 17, 13, 14, 8, 5

From smallest to biggest:

From biggest to smallest:

From biggest to smallest:

10. Observe the given sets of numbers. Write the biggest and the smallest. Look at the example.

Biggest Number

Smallest Number

Example:- 4 16 10 5

5

4

11 18 17 9

2.

20 10 5 15

3.

3 7 0 9

Get your pupils to understand the instruction and let them solve the sums by themselves.
