

# Susie's Christmas

Susie is an 8-year-old girl who loves Christmas. She lives in a small town with her family. Every year, Susie helps her parents decorate the Christmas tree. She hangs colorful lights, shiny balls, candy canes, and a big star at the top. Sometimes, her little brother, Tom, helps too.

On Christmas Eve, Susie bakes cookies with her mom. They make star-shaped cookies, snowman cookies, and gingerbread men. The kitchen smells sweet and warm. Susie leaves a plate of cookies and a glass of milk for Santa. She also hangs her red stocking by the fireplace and hopes for surprises.

Susie's Christmas wish this year is to get a new teddy bear and a storybook about fairies. On Christmas morning, she wakes up early and runs to the tree with Tom. She loves opening her presents and spending the day with her family. They eat a big lunch with turkey, potatoes, and chocolate cake. After lunch, they play games and listen to Christmas music.
