

Eng201 – L4.6
Making Decisions

• **Assessment 1: Decide whether the following statements are true (T) or false (F).**

1. Americans donated over \$400 billion to charities in 2017.
2. The "truth effect" makes longer, more complex stories easier to believe.
3. Watsi is a charity that helps people needing medical care.
4. Charities do not rely on human psychology to encourage donations.
