Listening

Listen carefully to the monologue, then choose the correct option for each question.

Lessons School Forgot to Teach Us

1. How did Emma manage her money?

A. She spent it all and didn't save anything.

B. She created a budget and saved for important things.

C. She asked her parents for extra money whenever she needed it.

2. Why did Jacob struggle during his exam?

A. He didn't study enough because he was distracted by social media.

B. He spent time taking care of his mental health instead of studying.

C. He studied all night but felt anxious and unfocused during the test.

3. What does the monologue suggest schools should teach about money?

A. How to invest in the stock market.

B. How to budget and save for real-life needs.

C. How to handle credit cards responsibly to avoid debt.

4. What life skill could help in emergency situations?

A. First aid training.

B. Managing mental health.

C. Time management.

5. What could Sarah have done differently to manage her art project and science test?

A. Procrastinate on one and prioritize the other.

B. Use time management techniques to plan ahead.

C. Skip the art project entirely to focus on science.

6. What could have helped Liam solve his problem with his friend?

A. Time management to plan their conversations.

B. Managing mental health to avoid getting overwhelmed by the situation.

C. Communication and conflict resolution skills to understand each other.

7. What is the overall message of the monologue?

A. Schools should prepare students for life, not just exams.

B. Students can succeed without learning practical skills.

C. Life skills are less important than academic achievements.
