**Task 1: Read the story:**

Jacob's Daily Routine

This is me, Jacob. I am nine years old.

I always start my fresh day by waking up at 7:50 in the morning. Then, I go to brush my teeth because it is the most important thing to do every day. School starts at 8:30 in the morning.

I go to the bedroom and dress up. Then, I need to eat breakfast with my family.

After that, I go to school at 8:15 because I don't want to be late. At lunchtime,

I usually have a conversation with my friend, Jake. Before school ends, I

always say goodbye to my teachers. My favourite teacher is Mr. Greyson. He

is always very friendly! At 2:50 p.m., I went home, I see my sister is playing

with my toy! She always does this, but I let her permission to use my toy. At 6
