

**The Grinch Who
Learned to Love
Christmas**

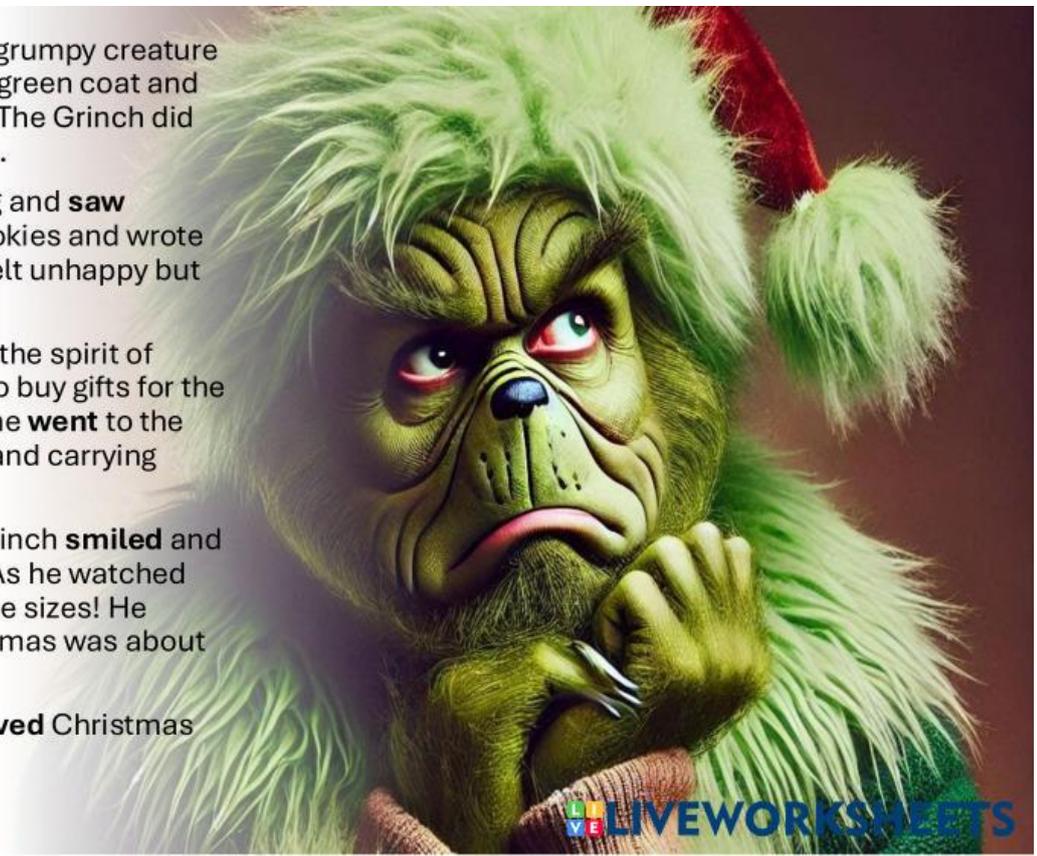

Once upon a time, there **was** a grumpy creature called the Grinch. He **wore** a green coat and **thought** Christmas was silly. The Grinch did not like the joy of the villagers.

One day, he **heard** them singing and **saw** children playing. They **ate** cookies and wrote letters to Santa. The Grinch felt unhappy but **wanted** to join them.

The next day, he **learned** about the spirit of Christmas. He **made** a plan to buy gifts for the children. On Christmas Eve, he **went** to the village, wearing a big red hat and carrying presents.

Everyone was surprised! The Grinch **smiled** and gave gifts to all the children. As he watched them play, his heart grew three sizes! He finally understood that Christmas was about love and joy.

From that day on, the Grinch **loved** Christmas and was never grumpy again!
