Unit 6 Assessment

Read the sentences and the inferences below them. Listen to the interview again. As you listen, match the statement from the interview with the inference.

Statement	Inference
(21.) ___ There are some really exciting things going on as we begin to see the beginnings of a new economy.	A. In the future, there will be a better model than the one with the most power held by a few people at the top.
(22.) ___ We need to integrate our financial life with the needs of contemporary society and with the needs of the environment.	B. There will be more and more ideas for co-ops in the new economy.
(23.) ___ The days of the old top-down hierarchy are passing.	C. Local people cared about their neighborhood.
(24.) ___ We need to hear more good news! It's out there.	D. The new economy will be better than the old economy.
(25.) ___ Then with that money, the local resident members bought real estate in their neighborhood – that is, land, buildings.	E. Our financial life has been seen as separate from society and the environment.
(26.) ___ The sky is the limit; there are no constraints on ideas.	F. The news we hear is mostly bad.

Read the sentences about inferences. Mark each sentence as *T* (true) or *F* (false). Write on the line.

27. ____ "Inference" is another word for "opinion."

28. ____ An inference is information that is explicitly stated.

29. ____ An inference is similar to a guess based on known information.

30. ____ A good reader will not make inferences, but will search for facts.
