Test

Lizzy : Hi, Nick. Did you hear what happened to me on Washington Street last night?

Nick : No. Tell me.

Lizzy : I was on my way home when I saw three scary guys walking towards me. One guy tried to grab my bag as I started to run.

Nick : Oh no! You got mugged?

Lizzy : Well , almost. I ran as fast as I could. Unfortunately, they chased me down an alley.

Nick : That's terrible! What did you do?

Lizzy : I was screaming for help when suddenly I saw a dark shape come out of the shadows. It was someone dressed in a black ninja uniform.

Nick : You are kidding, right?

Lizzy : Nope.
