

My Day

I'm named Alex. I'm 11 years old. I live in a house with my mom, dad, and my dog, Max. Every morning I wake up at 7:30 to go to school. After eating cereal for breakfast, I put on my uniform and run to catch the bus. At school, I have many subjects, but my favorite is science because I like doing experiments. In the afternoons, I usually do my homework and play with Max. On weekends, I go to the park with my friends and we ride our bikes.
