

Dear Santa,

Hello! My name is Alex, and I am a first year student. I hope you ____ (do) well at the North Pole. I _____ (write) to you because I want to tell you about my year and what I would like for Christmas.

This semester, I _____ (study) hard at MISIS. I have many classes, and I enjoy them. I _____ (study) English, Math, and Science. I _____ (like) my English class the most because I want to speak with people from different countries. I am also making new friends. We play games and study together. It is fun!

Last week, we _____ (have) a big project in our Science class. We _____ (work) in groups, and we made a model of the solar system. It _____ (be) exciting! My group did very well, and our teacher liked our work. I feel proud of what we _____ (create). I think I _____ (will/may/might = not sure) want to be a scientist one day.

For Christmas, I am going to ask for some books and a new backpack. I love to read, and I think the books _____ (will/may/might = possibly) help me learn more. A new backpack _____ (may/might/will = not 100% sure) be nice because my old one is very small now.

Thank you for reading my letter, Santa!
I hope you have a safe trip around the world.

Best wishes,

Alex
