

PRESENT PERFECT

Read the following text.

A group of friends woke up on a mysterious island after a storm. They find themselves hopeless, accepting that probably wouldn't be rescued any soon.

They've found strange footprints, a hidden map, and an old note saying, "Find the light". They started to explore the island and they found caves where they entered, though they haven't discovered the treasure yet, they've explored caves and climbed trees, hoping to uncover the island's secrets.

Complete the following sentences using the Present Perfect tense

- 1.- The group of friends _____ (find) strange footprints near the cave
- 2.- The group of friends _____ (not/see) the hidden treasure yet, but they have explored caves
- 3.- The group of friends _____ (try) to climb the tallest trees to look for help
- 4.- The group of friends _____ (not/decipher) the meaning of the old note
- 5.- The group of friends _____ (explore) a dark cave, but they didn't find anything valuable

Choose the correct answer for each question

1.- What have the group done since they arrived on the island?

- a) they have swam in the ocean
- b) they have explored the island
- c) they have asked for help

2.- Have the friends _____ the cave yet?

- a) enter
- b) enters
- c) entered

3.- have the group of friends _____ anything valuable?

- a) found
- b) find
- c) founding

Write a short text imagining that you are in that island; write what you have done by far, what you did, write at least 80 words.
