Where Fruit Comes From

Fruit is a very healthy snack. But where does it come from?

watermelon

1 Watermelons come from South Africa. Turkey, China, and Japan also grow a lot of watermelons. In Japan they don't only have round watermelons. They have square ones, too!

2 Pineapples grow in tropical countries, such as in South America. There are a lot of pineapple plants in the Philippines, and people there make fabric for clothes from pineapple leaves.

3 Kiwis are China's national fruit! They come from China, but now they grow in many parts of the world, like Italy and New Zealand. Their skin is ugly, but inside they're beautiful.

4 Many avocados come from Mexico, but they're popular all over the world. In Indonesia, people make a sweet drink with avocado, milk, sugar, and sometimes chocolate.
