Q6: Read the following text very carefully.

Susanna Brightman is a young Australian basketball player. She is 195 cm tall, and very fast and strong. Some people say she may become the best player in the world. As well as playing for her own country, she plays for a team called Boston Hawks in America.

Susanna's parents were both basketball players. When she was just 2 weeks old she was already travelling around the country with them while they played basketball. When she was still very young, Susanna told her parents she wanted to play for her country. At the age of 16, she played for the Australian team for the first time.

But things have not always been easy. When Susanna was 12, she toured Australia for the first time. One day the team she was playing for lost an important match because Susanna didn't want to play. Susanna's parents were very angry with her but told her that she didn't have to play basketball if she didn't want to. Susanna needed to think hard about her future. Luckily, Susanna decided to be a basketball player after all, and since then she worked very hard to become a better player.

Now answer the following questions.

1. Where does Susanna Brightman come from?

2. What did her parents do?

3. When did Susanna start playing for her country?
