GAMES ROOM: A VIRTUAL REALITY ROOM WITH ALL THE BEST GAMES!

Fourteen-year-old Sonya is here to answer my questions about virtual reality games.

Hi, Sonya! Tell us about Games Room.

It's cool! You can play lots of games. You can make your own character, or 'avatar', and you can use it to play exciting games with other people.

Who is your avatar?

My avatar is a forest queen called Minerva. She's tall and slim, and she's got long dark hair. She can run fast, and she can jump high. She's got a horse called Magic. It can fly very high. Minerva is brave and clever and kind.

Are you like Minerva?

Well, I'm short, but I can run fast. But I've got red hair, and I can't jump very high! And I'm not very brave, but I'm kind.

Who is Games Room popular with?

It's popular with people of all ages, but not with very young children. I can play with my parents and my sister, Tina. She's seventeen. My little brother can't play because he's only six. He can't understand the game!
