

It's beginning to look a lot like Christmas

Everywhere you.....

Take a look at the five and ten, it's glistening once again

With candy canes and lanes that glow

Toys in store

But the prettiest sight to see is the holly that will be

On your own door

A pair of Hopalong boots and a pistol that shoots

Is the wish of Barney and Ben

Dolls that'll talk and will go for a

Is the hope of Janice and Jen

And Mom and Dad can hardly wait for school to start

There's a in the Grand Hotel, one in the park as well

It's the sturdy kind that doesn't mind the snow

Soon the bellsstart

And the thing that'll make 'em ring is the carol that you sing

Right withinheart
