## READING COMPREHENSION

A. Read the following passage and fill in the blanks with the correct word or phrase from the text.

**Mrs. Smith's Shopping Trip**

Mrs. Smith is at the Mytown shopping mall. She wants to buy clothes for her family. First, she went into Uniqlo, where she bought two T-shirts, a pair of jeans, and a winter coat for her son. Then, she purchased a lovely skirt and a jacket for her daughter. When she went to the men's department, she found some nice shirts and a couple of pairs of trousers for her husband. She was thrilled to find a bargain on the trousers, which were on a special discount. After paying for all the clothes for her husband and children, she went to Cotton On. She bought a pair of pyjamas and a dressing gown for her daughter. She also found some lovely slippers on sale, and in a moment of impulsive buying, decided to purchase them even though they weren't on her shopping list. The last shop she visited was Padini Concept Store, where she found a beautiful red cardigan, a silk purple blouse, and an evening dress for herself. After all that shopping, she was really tired. Mrs. Smith decided to take a break at Costa, where she enjoyed a cup of coffee and a piece of chocolate cake.
