

Visiting a friend

Albert: Hello. Who is it?

Bob: It's me, Bob.

Albert: Hey Bob. Come on in. I've been _____ for you. Hi.

Bob: How are you?

Albert: I'm OK. I'm still a little bit _____. I haven't had my coffee yet.

Bob: Uhm. I understand.

Albert: Do you want something to drink?

Bob: Do you have any _____ squeezed orange juice?

Albert: No. I'm out of orange juice. Would you like some _____ juice?

Bob: Grape juice ... That would be great.

Albert: Oh, sorry. Out of grape juice, too.

Bob: That's too bad.

Albert: Have you had _____ yet?

Bob: No. Have you?

Albert: No, I haven't. Are you hungry?

Bob: Yes, I am. Let's go out and get something to eat.

Albert: OK, that sounds good. My _____ has a breakfast shop near here.

Bob: Great. Let's go there.

Albert: OK. Let's go.
