

Salesman: Good morning, madam. Can I help you?

Woman: Yes, please. What is this (1) _____?

Salesman: Well, that is the most helpful (2) _____ in the world: The **RoboVacuum** - a vacuum cleaner!

Woman: Thanks, but we already have a vacuum cleaner at home.

Salesman: Well, it's not just any vacuum cleaner you've seen before. It's a (3) _____ and can do many things. Why don't you try this? First, place the vacuum cleaner on the floor.

Woman: Like this?

Salesman: Yes. Second, press the (4) _____ button on the left if you want **RoboVacuum** to clean the whole room. Or you can press the (5) _____ button on the right if you want to remove dirty stains.

Woman: What about this button under the name **RoboVacuum**?

Salesman: It's the Start button. Press it to start or stop the device. Try it!

Woman: Wow. Amazing!

Salesman: Using **RoboVacuum** is a wonderful way to clean your house, but avoid using it on (6) _____ floors, or it won't run.

Woman: I see.

Salesman: Don't use it for more than an hour either, or it will (7) _____ and break down.

Woman: OK.

Salesman: Finally, you'll need to (8) _____ your **RoboVacuum** for five hours before you can use it.

Woman: Five hours?

Salesman: Yes, and **RoboVacuum** will  **LIVEWORKSHEETS** become your best helper in your house!
