1 Listen and read. Stop the song as soon as the text finishes.

Last Christmas
I gave you my heart
But the very next day you gave it away
This year
To save me from tears
I'll give it to someone special

Once bitten and twice shy
I keep my distance
But you still catch my eye
Tell me, baby
Do you recognize me?
Well, it's been a year
It doesn't surprise me

Merry Christmas
I wrapped it up and sent it
With a note saying "I love you"
I meant it
Now I know what a fool I've been
But if you **kissed** me now
I know you'd fool me again

2 Listen and fill in the gaps

A **crowded** room
Friends with tired eyes
I'm hiding you
And your soul of **ice**
My god, I thought you were someone to rely on
Me? I guess I was a shoulder to **cry** on

A on a lover with a fire in his heart
A man under cover, but you tore me apart
Now I've found a real .
You'll never fool me again
Last Christmas
I gave you my heart
But the next day you gave it away
year
To **save** me from tears
I'll give it to someone special

3 Listen and tick the unlatching lines

А это текст версии от Hilary Duff, Какие строки она изменила?

A friend to discover with a fire in her heart
I gave you my heart
A girl under cover, but you tore me apart
Maybe next year I'll give it to someone—
I'll give it to someone special
Who give me something in return
I'll give it to someone—
Hold my heart and watch it burn
I'll give it to someone—

I thought you were here to **stay**
How could you love me for a day
I thought you were someone **special**
