

Where are you?
 Oh-oh
 Oh
 "The Divine Feminine, " an album by Mac Miller
 Oh-oh
 ("The Divine Feminine")
 ("The Divine Feminine")
 Oh
 Am I supposed to? Okay
 Love, love, love, love, love, love (sex)
 Love, love, love, love, love, love, love (sex)
 _____ when I'm alone

 I see your eyes look through _____
 Don't be surprised this all I know
 I felt the highs and they felt like you
 See, a love like mine is too good to be true
 And you too divine to just be mine
 You remind me _____
 Girl, _____, yeah(X2)
 Yeah
 Yeah, yeah, baby
 Yeah, yeah
 Um, well
 Baby, you were everything I ever wanted
 Bought a wedding ring it's in my pocket
 Planned to ask the _____, knew you'd run
 away
 So I guess _____
 Remember when you went away to college?
 I was on the phone, we end up talkin'
 Past, present, future, _____,
 goddamn
 Puppy love ain't what it was, darlin'
 The feelings that we have were so alarmin'
 _____, I could break the glass
 If we made it last, it'd be a bargain
 Mr. Charmin', that is my department
 _____ before the fancy cars and
 _____ when I was just a starvin'

artist
 When the car was havin' trouble startin'
 Now we got our own apartment

 Same hamper for the laundry
 The food in the fridge is stale
 And this mornin' you cooked the _____ with
 the kale
 I tried to hit it while you was gettin' dressed
 You said, "All you ever think about is sex"
 I'm like, "Oh, well, you know me so well"
 And if this what make you late, I swear I won't
 tell
 And every time _____, you
 better pick up your cell
 I swear to God I'ma freak out if it goes straight
 to voicemail
 Well, _____, but I swear that
 ass is what Heaven's like
 And when I'm in that pussy, it's a better life
 That's the only way I'm tryna end the night
 That's my only chance, I better get it right
 _____, my baby
 'Cause I'm waitin' for you, for you
 I know I make your mind go crazy
 But it's all waitin' right here for you, for you
 (ooh, ooh-)
 You would get close, I would run away
 All I ever know is the _____
 Your loving ways bring me _____
 _____ (so divine)
 Heaven probably not the same without you (not
 the same)
 But now you're in my world (in my world), in my
 world
 Now(X5)
