

Trascina i nomi dei muscoli nella casella esatta

FACCIALI    PETTORALE    GLUTEO    TIBIALE    GEMELLI    BICIPITE    TRICIPITE    TRAPEZIO    DELTOIDE

ADDOMINALI

DORSALE

QUADRICIPITE

FLESSORI

The diagram shows a human figure from the front and back, with various muscles highlighted in red. Lines connect these muscles to empty rectangular boxes for labeling. The front view has boxes pointing to the face, neck, chest, abdomen, and legs. The back view has boxes pointing to the neck, shoulder blades, upper back, lower back, and legs.
