City problems

1. Listen to the conversations about problems in a city. Number the pictures from 1 to 3.

Dangerous crosswalks

Air pollution

Traffic Jams

2. Listen again. Check (P□) the two solutions suggested for each problem.

1.

□ a. Move factories away from the city.
□ b. Move away from the factories.
□ c. Fine the companies that are responsible.

2.

□ a. Keep trucks out of cities during rush hour.
□ b. Don't allow cars with only one person.
□ c. Improve the subway and bus systems.

3.

□ a. Fine drivers who don't stop.
□ b. Add more cars.
□ c. Add more crosswalks.
