## *Dictation*

### **Dictation**

SALLY: Good morning. Hinchingsbrooke Country Park, Sally speaking. I'm one of the rangers.

JOHN: Oh hello. My name's John Chapman, and I'm a teaching assistant at a local primary school. I've been asked to arrange a visit to the park for two of our classes.

SALLY: OK. What would you like to know?

JOHN: Well, I'm new to this area, so perhaps you could tell me something about the park first, please.

SALLY: Of course. Altogether the park covers **1.** \_\_\_\_\_ acres, that's **2.** \_\_\_\_\_ hectares. There are **3.** \_\_\_\_\_ main types of habitat: wetland, grassland and woodland. The woods are well established and varied, with an oak plantation, and other areas of mixed species.

JOHN: Right.

SALLY: The wetland is quite varied, too. The original farmland was dug up around 40 years ago to extract gravel. Once this work was completed, the gravel pits filled with water, forming the two large **4.** \_\_\_\_\_. There are also several smaller ones, **5.** \_\_\_\_\_ and a **6.** \_\_\_\_\_ that flows through the park.

JOHN: OK, so I suppose with these different **7.** \_\_\_\_\_ there's quite a variety of **8.** \_\_\_\_\_.

SALLY: There certainly is – a lot of different species of **9.** \_\_\_\_\_ and **10.** \_\_\_\_\_, and also animals like deer and rabbits.

JOHN: And I understand you organise **11.** \_\_\_\_\_ visits for school parties.

SALLY: That's right. We can organise a wide range of activities and **12.** \_\_\_\_\_ them to suit all **13.**

\_\_\_\_\_.

JOHN: Can you give me some examples of the activities?

SALLY: Well, one focus is on **14.** \_\_\_\_\_, where we help children to **15.** \_\_\_\_\_ and study **16.** \_\_\_\_\_, **17.** \_\_\_\_\_ and **18.** \_\_\_\_\_. They also **19.** \_\_\_\_\_ and **20.** \_\_\_\_\_ data about the **21.** \_\_\_\_\_ they see.

JOHN: Uhuh.

SALLY: Another focus is on **22.** \_\_\_\_\_. The park is a great **23.** \_\_\_\_\_ to learn and **24.** \_\_\_\_\_ reading a **25.** \_\_\_\_\_ and using a **26.** \_\_\_\_\_ to navigate around the park.

JOHN: Do you do anything connected with history?

SALLY: Yes, we do. For instance, the children can explore how the use of the land has changed over time. Then there's leisure and tourism.

JOHN: That focuses on your **27.** \_\_\_\_\_, I would imagine.

SALLY: Yes, mostly. The children find out about them, their requirements, the **28.** \_\_\_\_\_ they may cause and how we manage these. And another subject we cover is **29.** \_\_\_\_\_: here the children experiment with natural materials to **30.** \_\_\_\_\_ sounds and **31.** \_\_\_\_\_ rhythm and tempo.

JOHN: That must be fun!

SALLY: Most children really enjoy it.

SALLY: And of course, all the activities are **32.** \_\_\_\_\_, too. Learning outside the classroom encourages children to be **33.** \_\_\_\_\_, and to **34.** \_\_\_\_\_ and **35.** \_\_\_\_\_ for themselves.

JOHN: I would imagine they get a **36.** \_\_\_\_\_ of **37.** \_\_\_\_\_ that might **38.** \_\_\_\_\_ be a **39.**

\_\_\_\_\_ part of their lives.

SALLY: That's right. And very often the children **40.** \_\_\_\_\_ that they can do things they didn't know they could do, and they develop new **41.** \_\_\_\_\_. This gives them greater self-confidence.

JOHN: It sounds great. So, what about the practical side of it? How much does it cost for a full-day visit?

We would expect to **42.** \_\_\_\_\_ between **43.** \_\_\_\_\_ and **44.** \_\_\_\_\_ children.

SALLY: If there are over 30, it costs £4.95 for each child who attends on the day. We invoice you afterwards, so you don't pay for children who can't come because of **45.** \_\_\_\_\_, for example. There's **46.**

\_\_\_\_\_ charge for leaders and other **47.** \_\_\_\_\_ – as many as you want to bring.

JOHN: That sounds very fair. Well, thanks for all the information. I'll need to discuss it with my colleagues, and I hope to get back to you soon to make a booking.

SALLY: We'll look forward to hearing from you. Goodbye.

JOHN: Goodbye, and thank you.
