

Part 6

Questions 27-32

For each question, write the correct answer.

Write **one** word for each gap.

Farm Working Holidays

If you don't mind working (27) _____ your hands and would like to have an eco-friendly holiday while learning English, working on a farm is a great way to travel for free and enjoy the beauty of the countryside. Our farm volunteer scheme involves a lot of farms (28) _____ part in eco-friendly projects which are looking for teenagers to volunteer in exchange for free morning language courses, accommodation and food.

Most farm owners ask their guests to stay for at (29) _____ two weeks, but many guests decide to spend the whole season there in (30) _____ to learn everything about organic farming. Volunteers can do anything, from picking grapes to (31) _____ after crops. They will also milk cows or feed chickens. Working days are usually five hours (32) _____ day, but you may also work less.

To learn more about World Wide Opportunities on Organic Farms, check our website www.wwwoof.org listing all the farms in our project.

Exam tips

Remember that words like *doesn't* are actually two words (*does + not*), so you can't use them to fill a gap. Sometimes there is more than one possible words for a gap: choose the one you prefer to fill the gap.

Guidance for candidates

In Reading Part 6 the words to find are often grammar words. Here's a simple exercise to make sure students can recognise each of them.

Match the example words on the left with each category on the right:

- | | |
|---------|--|
| 1 whose | A <input type="checkbox"/> quantifier |
| 2 an | B <input type="checkbox"/> preposition |
| 3 few | C <input type="checkbox"/> auxiliary |
| 4 would | D <input type="checkbox"/> modal verb |
| 5 with | E <input type="checkbox"/> pronoun |
| 6 were | F <input type="checkbox"/> article |

Other possible words are parts of collocations, phrasal verbs, linking words, adverbial phrases: to test candidates' knowledge, here's another exercise.

Complete the following sentences with one word. The category of word is given in brackets.

- My father _____ up smoking because it was bad for his health. (phrasal verb)
- I _____ my bed every morning. (collocation)
- He studied really hard _____ he passed the test. (linking word)
- I didn't win anything but _____ least I had fun. (adverbial phrase)
