Describing a Photo

Look at the photo carefully. Think about what you can see, the person\people, the location, what the weather is like, what is happening, what they are doing, what the people are wearing, how they are feeling, etc. Try to use descriptive language with a variety of adjectives.

Use phrases like: *The picture shows…; In the picture I can see…; There is\are…; In the foreground\background, …; On the left\right, … .*
