

[Verse 1]

You the world and I for it
I you first and you adored it
..... fires to my forest
And you it burn
..... off-key in my chorus

'Cause it yours
I saw the signs and I ignored it
Rose-colored glasses all distorted
..... fire to my purpose
And I it burn
You got off on the hurtin'
When it yours, yeah

[Chorus]

We'd always go into it
I needed to lose you to me
This dancing was killing me softly
I needed to hate you to love me, yeah

To love, love, yeah
To love, love, yeah
To love, yeah
I needed to lose you to love me, yeah
To love, love, yeah
To love, love, yeah
To love, yeah
I needed to lose you to love me

[Verse 2]

I my all and they all know it
Then you me down and now it's showing
In two months, you replaced us
Like it was easy
Made me think I it
In the thick of healing, yeah

[Chorus]
