Where the _____ are empty, that's where we run

_____ people do everyday things but I
Can't be one of them
I know you hear me now, we are a _____ kind
We can do _____

Chorus:
We could be heroes
We could be heroes, me and you
We could be heroes
We could be heroes, me and you
We could be

2- Order:

They don't see it cause they don't understand
Anybody's got the power
You and me, we got the world in our hands
Spin around and round for hours

Can't be one of them
Everyday people do everyday things but I
We can do anything
I know you hear me now, we are a different kind

Chorus

All we're looking for is love and a little light
Love and a little light
(We could be)
All we're looking for is love and a little light
Love and a little light

We could be heroes
We could be heroes
Me and you...
We could be
