

Grade 2-3 B Writing

Pond Animals

These students are learning about the animals that live in a pond near their school.

1

Describe step by step what the students did. Use the pictures and the numbers to help you add details. Write at least 6 sentences. Be sure to include an introduction and an ending.

Did you write a topic sentence?

Did you write an ending for the story? _____

Did you read what you wrote after you finished? _____

Did you start every sentence with a capital letter? _____

Did you use periods or question marks? _____
