1. Read the text and find past forms of the verbs below:

Samiya was born in Nigeria on the eighteenth of August 1993, in a village near Lagos. Her parents didn't have a lot of money, and the family lived in a small house. Samiya's father worked as a taxi driver and her mother was a teacher. In her childhood, Samiya was shy, but her parents knew she was very intelligent; she was really good at Maths and computer games. When she was fifteen she went to university and studied information technology. In her fourth year at university she met her future husband, Obi, and after they finished university they got married. Samiya and Obi had some great ideas for apps and together they started a company. The company made apps for teaching children maths and English. Their apps made a lot of money and with the money, Samiya bought her parents a new house.
