

PRESENT CONTINUOUS

die Verlaufsform der Gegenwart

Wann brauche ich diese Zeit?

1. USE

Die **Present Continuous** ist eine Zeit, die im Deutschen gar nicht existiert.

Du kannst damit beschreiben, was jetzt gerade, in diesem Moment passiert.

Sie wird als „Verlaufsform“ bezeichnet, weil die Tätigkeit, die man beschreibt, genau jetzt in der Gegenwart stattfindet und länger andauert.

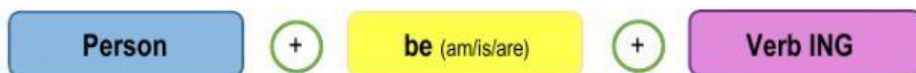

Singalwörter sind daher: *right now, at the moment, Look! Listen!*

Wie bilde ich diese Zeit?
