IN MY LIFE

I. COMPLETE.

There are places I'll _____
All my life, though some have changed
Some forever, not for better
Some have gone and some _____
All these places had their moments
With lovers and _____, I still can recall
Some are dead, and some are living
In my life, I've loved them all
But of all these _____ and lovers
There is no one compares with you
And these memories lose their meaning
When I think of love as something new
Though I know I'll never lose affection
For _____ and things that went before
I know I'll often stop and think about them
In my life, I love you more
Though I know I'll never lose _____
For people and things that went before
I know I'll often stop and think about them

In my life, I love you more
