Present Simple affirmative

Morning train (Nine to five) Sheena Easton

Listen to the song and fill in the blanks

I wake up every mornin'
I stumble out of bed
Stretchin' and yawnin'
Another day ahead

It seems to last forever
And time slowly by
'Til babe and me's together
Then it to fly

'Cos the moment that he's with me
Time can take a flight
The moment that he's with me
Everything's alright

Night time is the right time
We love
Then it's his and my time
We take off

Chorus(x2)

My baby the morning train
He from nine till five and then
He another home again
To find me waitin' for him

He me to a movie
Or to a restaurant, to go
Slow dancing
Anything I want

Only when he's with me
I catch a light
Only when he me
Makes me feel alright

Chorus

My baby the morning train
All day I think of him
Dreamin' of him constantly
I'm crazy mad for him
And he's crazy mad for me (crazy mad for me)

When he off that train
I'm makin' a fool, a fight
Work all day to earn his pay
So we can play all night

Chorus

He's always on that morning train
(He from nine till five and then)
He so hard
(He another home again)
To find me waiting for him

(My baby the morning train)
(He from nine till five and then)
(He another home again)
(To find me waiting for him)
