Grade 3 B Writing

Part C: Our Town

These students used milk cartons to build a model of their town. The pictures show how they collected all the milk cartons and made their model.

LIVEWORKSHEETS

Now it's your turn to write!

Write a report about how the class built a model of their town. In your report, explain each step the students took. Write about how each step helped the students reach their goal.

Did you read what you wrote? ____

Did you write a topic sentence? ____

Do all of your sentences have someone/thing that is doing/being? ____

Did you capitalize and punctuate? ____
