Last summer holidays, my father took me to Sam Son beach. It was a very beautiful beach in Thanh Hoa, Viet Nam. I saw many interesting things. The sand was yellow and there were many seashells on it. We collected many seashells to put into my collections. After that, my father brought me to a

nearby restaurant. We ate lots of sea food. I loved king crabs best. They were very yummy and delicious. In the afternoon, my father drove me to home.
