**UH OH! (feat. BENEE)**

Uh, oh, uh, oh

Uh, oh, you made a \_\_\_\_\_

Uh, oh, uh, oh

Tell me \_\_\_\_\_ that can't be true

mistake

things

Your slacks are on fire, I'm fanning the flames

Like a \_\_\_\_\_ stood out in broad day

Should've been wiser while pickin' out

\_\_\_\_\_ you were gonna say, oh

vampire

What

Fool me once, that's one too many

Better luck next \_\_\_\_\_ you've met me

Where's the dunce who caught you meddling?

Turn around (uh, oh)

time

Uh, oh, uh, oh

Uh, oh, you made a mistake (haha, haha)

Uh, oh, uh, oh

Tell me things that can't be true

You're sweating this time, I'm reading your eyes

You're being called out, 'cause you slipped your  
mouth  
Your face has turned pale, gone fait, you're not well  
While you were distracted, I cast a spell (hahahaha)

Uh, oh, you better run \_\_\_\_\_ now (right now)  
Uh, oh, you've made a mistake, aw (right now)  
Uh, oh, got nothin' else to say to you-oh-oh  
(Uh, oh)

way

Tell

Uh, oh, uh, oh  
Uh, oh, you \_\_\_\_\_ a mistake  
Uh, oh, uh, oh

made

\_\_\_\_\_ me things that can't be true

Forgive this wed intermission  
Tragically, I'm not the victim here  
If only I fell for your fiction  
Tell me things that can't be true
