## HAPPIER

Lately, I've been, I've been thinking  
I want you  happier, I want you to be happier

When  comes  
When we see what we've become  
In the cold light of day  a flame in the wind  
Not the fire that we begun  
Every argument, every word we can't take back  
'Cause with  has happened  
I think that we both know the way  ends

Then only for a minute  
I want to change my mind  
'Cause  just don't feel right to me  
I wanna raise your spirits  
I want to see you smile  
Know th  means I'll h  ave

Lately, I've been, I've been thinking  
I want you , I want you to be happier

When the evening falls  
And  left there with my thoughts  
And the image of you being with someone else

Well, it's eating me up inside
