- Nie musisz rozumieć wszystkich słów z tekstu, aby zrozumieć jego główną myśl.

Read the article quickly and choose the best summary.

- 1 It is an article about how technology can improve people's lives and help them in their careers.
- 2 It is an article describing how people have recovered from accidents and adapted to change.
- 3 It is an article that gives information about the powers and abilities people wish they could have.

UNIQUE strengths

We might all dream of being famous, but ordinary people are incredible in so many different ways! We can adapt to new things, learn and grow, as these two inspiring people show.

Never give up

Chiara Bordini is a very positive and confident person. This young Italian model went on the first of many photo shoots in 2015, at the age of fifteen. However, just a short time before that, the idea of modelling seemed like a dream. When Chiara was thirteen, she had a terrible accident on the way to school. She lost her leg. She lost part of her left leg and took nine months to walk again. Then an Italian designer wrote to Chiara and asked her to model their new product – a decorative prosthetic leg covered in crystals. Instead of hiding her new leg, Chiara decided to make it a part of her life. It was so brave to do! Recently, she did another photo shoot for a campaign promoting equality in modelling. She also came third in the Miss Italia beauty contest, even though online trolls wrote lots of cruel comments about her – an amazing accomplishment!

Chiara is determined to focus on what she can do, not what she can't. What a wonderful, courageous model! Perhaps, for now, she's studying hard, so as to become a doctor.

An accident that made a genius

Orlando Serrell has got a fantastic memory for dates. He's exceptional because he didn't use to have this ability until he was ten. Then, one day during a baseball game, the ball hit his head hard. He recovered, but had a bad headache for weeks. Soon, Orlando discovered he could easily say what day of the week any date was – not only days after the accident. Years later, he can still do it. Not only that, but he also knows exactly what he did and what the weather was like on any date since that day! Orlando was surprised when scientists, newspapers and TV shows were all interested in his experience and called him a 'genius'. He thinks he's ordinary.

See? We can all be inspiring humans. We can have a talent or skill, and work hard to succeed. We humans are awesome!

GLOSSARY

beauty contest – konkurs piękności

decorative – ozdobny

equality – równość

photo shoot – sesja zdjęciowa

prosthetic leg – proteza nogi

Read the article carefully and complete the sentences with up to three words in each gap.

- 1 Chiara started modelling when she was **fifteen**.
