## Comparative & Superlative

**Sam**: Social media has become very important in our life. Don't you think?
**Jack:** Definitely! It is the **(1) ……..** ⬭ **most /** ⬭ **more** popular way to communicate now. I don't think anything else can compare to it.
**Sam**: Yeah, it's easy to connect with people now. But sometimes, it feels like people spend more time on their phones than talking to each other face-to-face.
**Jack**: That's true. Some social media platforms are **(2)……..** ⬭ **good /** ⬭ **better** than others for staying in touch.
**Sam:** I strongly agree. But overall, social media is **(3)……..** ⬭ **more /** ⬭ **most** powerful than ever. Also it is an influential tool for spreading information which is not **(4)……** ⬭ **as same as /** ⬭ **as big as** other ways.
**Jack:** Yes, it's absolutely **(5) ……** ⬭ **easiest /** ⬭ **easier** than any other communication method we've had before.
