

Cause and Effect

Paul: The weather has been so strange lately. I think it's (1)..... ☐ **because of** / ☐ **so** climate change.

Tim: Many experts believe that extreme weather events occur (2)..... ☐ **therefore** / ☐ **due to** the rise in global temperatures.

Paul: I read that there have been more wildfires this year. It's really scary. The forests are drying out faster (3)..... ☐ **as a result of** / ☐ **so** warmer temperatures and droughts.

Tim: That's right. (4)..... ☐ **Due to** / ☐ **Therefore**, we need to take action now to reduce carbon emissions and protect the environment.

Paul: I agree! We (5)..... ☐ **won't** / ☐ **would** ignore it any longer. The situation is getting worse. We all need to make changes in our daily lives.
