

Stop Crying Your Heart Out – Oasis (Lyrics with Blanks)

Hold up	'Cause all of the stars are fading away
Hold on	Just try not to worry, you'll see them someday
Don't be scared	Take what you need, and be on your way
You'll never change what's been and gone	And stop crying your heart out
May your smile (may your smile)	'Cause all of the stars are fading away
Shine on (shine on)	Just try not to worry, you'll see them someday
Don't be scared (don't be scared)	Just take what you need, and be on your way
Your destiny may keep you warm	And stop crying your heart out
'Cause all of the stars are fading away	We're all of the stars, we're fading away
Just try not to worry, you'll see them someday	Just try not to worry, you'll see us some day
Take what you need, and be on your way	Just take what you need, and be on your way
And stop crying your heart out	And stop crying your heart out
Get up (get up)	Stop crying your heart out
Come on (come on)	Stop crying your heart out
Why're you scared? (I'm not scared)	Stop crying your heart out
You'll never change what's been and gone
