LISTENING SONG

FOREVER YOUNG - ALPHAVILLE

Let's ……. in style, let's dance for a while
Heaven can wait, we're only watching the skies
…….. for the best, but ……. the worst
Are you gonna …….. the bomb or not?

Let us die ……. or let us live forever
We don't have the power, but we never say never
……. in a sandpit, life is a short trip
The music's for the …….. men

Can you ……. when this race is won?
Turn our golden faces into the Sun
Praising our ……., we're getting in tune
The music's played by the, the ……. men

Forever young, I want to be forever young
Do you really want to live forever?
Forever, and ever
Forever young, I want to be forever young
Do you really want to live forever?
Forever young

Some are like ……., some are like the heat
Some are a melody and …….. are the beat
……. or later, they all will be ……
Why don't they stay young?

It's so ……. to get old without a cause
I don't want to perish like a fading ……..
Youth's like ……. in the Sun
And diamonds are forever

So many adventures …….. happen today
So many songs we forgot to play
So many …….. swinging out of the blue
We let them come …….

BE CAREFUL!!!!

There are three words that don't belong to the song!!!!
