Students at SMP Merdeka are very passionate about charity and donations in general. The students' association of SMP Merdeka even has a charity shop.They name it Merdeka Friday Shop. It is run by student volunteers. The shop opens on Fridays at 10:00 AM and closes at 11:00 AM.

Merdeka Friday Shop is a small shop that sells a variety of items at a low price. The students can purchase high-quality used items from the shop. The price of the items in the charity shop is generally much cheaper than that in regular stores. For example, shoppers can buy a used backpack for only Rp. 15, 000.

Students can donate their preloved items to Merdeka Friday Shop. Donations of second-hand clothes, bags, books, stationery, shoes, cutlery, and other bric-a-brac are accepted by the shop. However, there are things that cannot be donated, such as medicine, food, and jewelry. The charity shop is not permitted to sell anything that is illegal, unsafe, or unhealthy.

## Section 3 - Language Focus

Unit 3. Let's Donate

Study the following explanation about how to emphasize the important part of a sentence.

We use the passive to indicate that we are more interested in a specific part of the sentence. The passive is typically formed by the **verb *to be* + past participle**.

Here's a passive sentence:

*It is run by student volunteers.*

'*It*' or 'charity shop' is the main focus of the sentence. The active form would be '*Student volunteers run it*'. In this case, we make the object of an action into the subject of a sentence.

We also use passive when we don't know who did something.

*The charity shop is not permitted to sell anything that is illegal, unsafe, or unhealthy.*

The important thing is the charity shop, not the person who does not allow or permit the charity shop to sell illegal, unsafe, or unhealthy items. If we have to change the sentence into an active form, we might need to guess the subject of the sentence. The subject might be *the school principal*. Thus, the active form would be '*The school principal does not permit the charity shop to sell anything that is illegal, unsafe, or unhealthy.*'

a. Underline the verb to be + participle , then change the sentences into active forms. Number one has been done for you.
