Action Sports Camps

Action Sports Camps provide activity holidays for children aged over five and adults. We offer training in over twenty sports at ten different centres throughout the UK. All the centres are open from April until October, and some open during the winter for weekend courses. The sports offered differ from one centre to another, so if you want to do something in particular, you should check our colour brochure.

The camps are not just limited to outdoor sports – we cover a wide range of indoor activities as well. So if the rain comes, the camps continue, although you may have to take off your football boots and pick up a squash racket instead. With the experience we've gained over the years, we put together the right mix of sport and activities providing sport for all, not just for those who are brilliant at athletics. It is unnecessary to bring any equipment because it is all provided.

We work in small groups, children working with others of their own age, but we do all come together for social activities and meals. So different members of a family can make their own individual choices, but they get a chance to exchange their experiences later on.

Our centres offer first-class accommodation, food and facilities – and the staff are first-class too. Qualified teachers or professionals receive training from us, and many work with us year after year. We always employ qualified staff for activities such as swimming, trampolining and gymnastics, but some of the assistants organising the children's games are students, many of whom came to the camp themselves when they were younger.

At most of our centres, accommodation is in a hostel or tents. It is not possible for us to arrange other accommodation, but we can send you a list of what is available in the area. Most of the places are recommended to us, but not all, so we are not responsible for the quality of the accommodation on this list. Luxury accommodation is not available near our camps.

To book a place at a sports camp, complete the form and send it with a cheque for the deposit to the address below. The rest of the fee can be paid at any time, but we must receive it at least one month before your camp. Please note, to keep costs down, you are charged 2.5% extra by us if you pay with your credit card. You will receive a letter of confirmation within ten days of sending your form. Cancellations made up to a month before the camp are refunded in full apart from a 5% administration fee. Fifty per cent of the fee is refunded if a cancellation is made up to two weeks before the date of the camp. After that, no refunds can be given.

The Artist

People think being an artist must be a wonderful way to earn one's living. And of course, there are lots of great things about working for oneself, at home alone, even in a cold studio like mine. What I really like is that nobody tells me what time to start in the morning. I like to paint as soon as I wake up, which is always early, but isn't the same time every day. And nobody tells me what to wear, or whether I can take the afternoon off and go to a football match.

But then, I have no one to chat with when I'm bored, no one to discuss last night's match with during the office lunch hour. Sure, I can spend the afternoon doing something I enjoy like cycling or gardening if I choose. But the work will still be there when I do finally get back home.

Unfortunately, working at home means that people can always find me, whether I'm bored or not, and once I've answered the doorbell, it's too late – my thoughts have been interrupted. No one would dream of calling in if I worked in an office, but I find myself listening to friends' troubles. As they talk, my ideas disappear and I feel increasingly stressed thinking of my work waiting to be done.

However, when I hear the traffic news on the radio, and imagine my friends sitting miserably in their cars in a jam, feeling bored, or waiting unhappily for an overcrowded tram in the rain, I realise that I really haven't got much to complain about. I find a CD which will start me thinking, turn it up really loudly and begin another picture.
