Module 2 – Best Heist Movies

Script:

Jose: Good evening movie lovers. Welcome to a new episode of "Film Top", where we review the best films according to different topics. Today we have in the studio Michelle, a representative of IMDB, the internet movie database, the online website where they have posted all the information related to films. Hello Michelle. Tell us, what is today's topic?

Michelle: Hi everyone! We have already seen films about murders based on real life. Today we are talking about the top 5 heist and bank robbery films.

Jose: Great, let's start!

Michelle: Of course. Number 5 is the 1995 film "Casino". Have you seen it? It is the story of two best friends: a casino executive and a mafia enforcer who compete against each other. De Niro is in this movie. Next, at number 4 we have "Die hard" with Bruce Willis. It is about an officer who tries to save his wife and others taken hostage by terrorists.

Jose: I have seen every De Niro movie. Bruce Willis on the other hand is not my favorite. Surprisingly, I agree he did a great job in "Die hard".

Michelle: Yes. At number 3 we have Al Pacino in Roberto de Niro's film "Heat". It tells the story of a gang of bank robbers who feel the heat from police after they left a clue by accident. In the second position, people have voted for "Reservoir Dogs" with Tim Roth. A film about criminals who start suspecting that one of their gang members is a police informant.

J: Oh, I haven't seen any of those. What's in the first position?

M: . Have you watched "The Usual Suspects"? This film is about a survivor that tells a story of a horrific battle and how he got to where he is. It has the best IMDB, heist movie score. If you haven't seen it, cancel any plans for the weekend that you had and enjoy an amazing nineties film.
