

APARELL RESPIRATORI

TRÀQUEA	PULMÓ
BRONQUIS	BRONQUÍOLS
DIAFRAGMA	FOSES NASALS

An anatomical illustration of a human torso from the neck to the waist, showing the respiratory system. The trachea is highlighted in blue, leading down to the lungs. The lungs are shown with a network of bronchi and bronchioles. The diaphragm is at the base of the thoracic cavity. The nasal cavities are indicated at the top. Green squares mark the locations of the trachea, lungs, bronchi, bronchioles, diaphragm, and nasal cavities.

APARELL EXCRETOR

RONYÓ	ARTÈRIA RENAL
URÈTER	VENA RENAL
BUFETA DE L'ORINA	URETRA

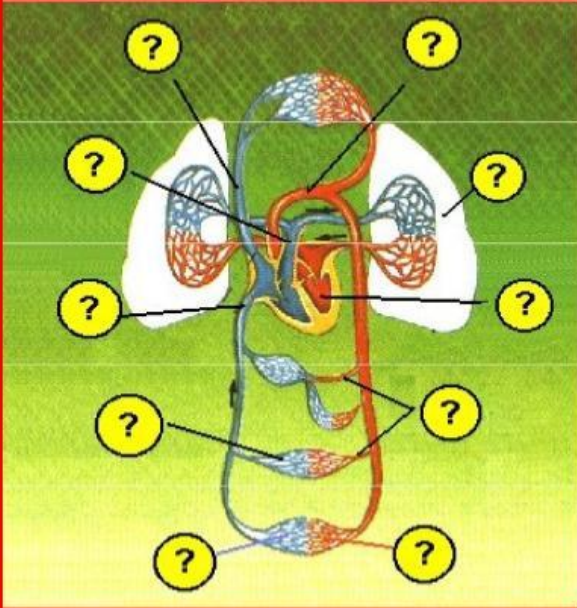

An anatomical illustration of the human excretory system. It shows two kidneys at the top, connected by renal arteries (red) and renal veins (blue) to the abdominal aorta and inferior vena cava. Ureters (yellow) lead from the kidneys to the bladder. The urethra leads from the bladder to the exit. Green squares mark the kidneys, renal arteries, renal veins, ureters, bladder, and urethra.

APARELL REPRODUCTOR

Busca el nom de vuit òrgans de l'aparell reproductor.
