Questions 8 – 10 refer to the following text message chain. App

Tricia Brown 1:21 p.m.
I'm almost at the airport. Are you guys on your way already?

Victor Younis 1:21 p.m.
Yeah, we're on the bus—it left about ten minutes ago.

Tricia Brown 1:22 p.m.
Oh, too bad. I was going to ask you to grab some extra copies of the new catalog from the office. I just scheduled meetings with two more potential customers in Atlanta.

Dean Mahoney 1:23 p.m.
No worries. I have 25 copies. Brought some extra samples, too.

Tricia Brown 1:23 p.m.
Excellent! Thanks, Dean.

Victor Younis 1:24 p.m.
When are these meetings? I thought our schedule was full for the whole three days.

Tricia Brown 1:25 p.m.
It is. I'll be staying one more day to meet with these people and coming back Friday.

Dean Mahoney 1:25 p.m.
Should we stay, too?

Tricia Brown 1:26 p.m.
Not unless you really want to. These are personal contacts of mine, so I can handle it myself.

Dean Mahoney 1:27 p.m.
That's good, because I'm supposed to be back Thursday to teach a training class.

Victor Younis 1:28 p.m.
Same here.

Tricia Brown 1:28 p.m.
OK. Gotta go, the cab's about to stop.

8. Why does Tricia Brown text the others?
(A) To request that they bring extra materials
(B) To ask them to extend their trip by a day
(C) To inform them that she will be late
(D) To let them know she's on her way

9. Which is true about Dean Mahoney and Victor Younis?
(A) They will return before Tricia Brown does.
(B) They will have free time on the trip.
(C) They are on their way to a training class.
(D) They are not experienced employees.

10. Where most likely is Tricia Brown?
(A) At the airport
(B) On a bus
(C) At the office
(D) In a taxi
