### 1 Complete the blog post with the words in the box.

arrival time   change   delay   due to arrive   fly out  
flight   land   made a reservation   take off

#### Ali Evans – 10 minutes ago

What a terrible start to my holiday in San Sebastián!  
The plan was to <sup>1</sup> ..... from London and then  
<sup>2</sup> ..... in Madrid. Unfortunately, there was a  
problem with my first <sup>3</sup> ..... and it didn't  
<sup>4</sup> ..... until 15.30. That was a <sup>5</sup> ..... of over  
two hours. At the start of the flight, the pilot said that  
we were <sup>6</sup> ..... in Madrid at around 18.00, but the  
weather was terrible so we couldn't <sup>7</sup> ..... there.  
We went to a really small airport instead and then we  
had to take a bus to Madrid. My <sup>8</sup> ..... at Madrid  
airport was actually 20.30. It was too late to get a flight  
to San Sebastián.

I <sup>9</sup> ..... at  
a hotel in Madrid  
and there's where I  
am now. I'm on the  
11.55 flight to San  
Sebastián tomorrow.  
Hope it's on time!
