

Will you stay just a little while, babe?
Just a little while, just a little while, just a little while
(X2)

Yeah, _____, _____ a motherfuckin' _____
I know you stressin', you don't gotta keep me
guessin'

_____, in return I get the silent
treatment

I _____

You say, you say, you say it's way too late, goodbye,
you leavin'

I could have a whole collection
Just be faded in my own dimension

I swear that pussy Grammy nominated
Let's make some music, fuck all of the _____

Will you stay just a little while, babe?
Just a little while, just a little while, just a little while
(X2)

Okay now, baby, _____, don't even
try

_____ crazy, girl, you saved me
Man, _____, get me piece of mind
It's only she and I, ocean floor, how deep we dive
We be high lookin' for another fuckin' tree to climb
She was playin' hard to get, _____
Binge watched Sopranos, made it all the way to
season five

_____, _____, she had to come, see her
freaky side
Leavin' me behind

Will you stay just a little while, babe?
Just a little while, just a little while, just a little while
(X2)

The where you walkin' to the room, oh oh oh

I don't wanna be polite no more
_____, where the fuck you gone go?
Yeah, girl, the way you walkin' to the room, oh oh oh
(X2)
