Use of English

My Italian Holiday

Read the text below, choose the correct answer (A, B, C, D)

I had always (1) _____ of visiting Italy, and this summer, I finally did it. I was ready for an adventure, and Italy was the perfect place. I landed in Rome, the capital. The city is full of history and incredible sights like the Colosseum and the Vatican. Walking through Rome felt like stepping (2)_____ in time. I enjoyed a lot of deliciousfood,

After Rome, I (3) _____ a train to Florence. Florence is a beautiful city with amazing art and architecture. The famous statue of David by Michelangelo was a (4) _____ . It was larger than I expected and truly impressive. I also visited the Uffizi Gallery and saw (5)_____ by famous artists like Leonardo da Vinci. Next, I traveled to Venice, which is a city built on water. It was fascinating to ride on a gondola (6) _____ the canals. The city was crowded but charming with its small bridges and narrow streets. I loved exploring the different parts and discovering hidden cafes. (7) _____, my journey ended in Naples, where I tried authentic Neapolitan pizza. The crust was thin and (8) _____ , just perfect. I also took a day trip to Pompeii, an ancient city that was (9)_____ by a volcano. Walking through the ruins was an unforgettable (10) _____. My Italian holiday was everything I hoped it would be. I learned so much and made wonderful memories. Italy is a country I would love to visit again.
