My Neighborhood

My neighborhood is close to the downtown area of the city. I live in a house, but a lot of people around me live in apartments. There are a few office buildings in my neighborhood. There aren't any shopping malls, but it's still very convenient. There's a good shopping area only a few streets away. There's a bank, and there are several restaurants and a couple of movie theaters. There's also a barber shop, so I don't need to walk very far to get a haircut!

My neighborhood is nice, but it's changing. There's more traffic, and it's noisier than it was a few years ago. We still need better public transportation, and we also need more parks. I joined a community organization last year, and we're working together to make our neighborhood a better place.
